REMARKS

The attached PTO Form-1449 is incorporated as part of the Information Disclosure Statement. A copy of each cited document is enclosed herewith.

Applicant submits herewith patents, publications, or other information of which he is aware, which he believes may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 C.F.R. §1.56. While this information may be "material" pursuant to 37 C.F.R. §1.56, it is not intended to constitute an admission that any patent, publication, or other information referred to therein is "prior art" for this invention unless specifically designated as such.

The patents and publications cited herein were cited by the Japanese Examiner during the prosecution of the corresponding case in Japan, however, there was no rejection based on any of these documents.

In accordance with 37 C.F.R. §1.97(b), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 C.F.R. §1.56(a) exists.

As this Supplemental Invention Disclosure Statement is being provided prior to receipt of the first Official Action, pursuant to 37 C.F.R. § 1.97(b)(2), no fee is required.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Ralph H. Dougherty", written over a horizontal line.
